Carey.

It was great talking with you today. I'm sending along the notification letter and access permit application for Hans and Scott's trip out there the week of

June 3rd. Hans and Scott will come to your offices Monday June 3rd around 9:30am to pick up their permit and meet with your staff to get a plan for the week.

Also, I'll follow up with you later when we have a press release detailing the Deseret Bonanza (the settlement is in the final stages now) as well as the status of compliance at the Anadarko Chapita Gas Plant.

Thanks for your time today and I look forward to working with you and Rose,

Alex
